The message in the bottle was to live happy, joyous and free as a women of dignity and grace. We just had to drink every drop to find that 12 Step message! This intimate conference for alcoholic and Al Anon women is to embrace the solutions for living a life of joy and talk about things we don't share at mixed meetings. If you are entirely ready to participate in your own life, dance, belly laugh, be inspired, cry, go shopping, swimming in the sea & hit the spa...this weekend is for you! Join us at the luxurious downtown Marriott Hotel by the sea. You deserve it!

Registration is required for all Participants & Volunteers
